Product information

Source Type	LED Array	<p>Lucy is a decorative pendant light fitting that comes that comes E27 G150 LED Lamp, there is an optional clear glass lamp shade in the Lucy II. This range of fittings are more commonly used in the hospitality industry, particularly in the Clubs, restaurants, hotel and foyers entry. Adding depth to the design of Lucy fitting we are able to custom manufacture up to eight pendants per one ceiling rose, this feature will add style depth of field to your commercial project and reduce the number of points needed for a large installation.</p> <p>The Lucy pendant is available with four different colour 27 lamp holders. This pendant can have a suspension cable up to 4m flex. Also secondary suspension point is available as a standard product.</p> <p>The Lucy fitting is designed for maximum of 25,000-hour life with L80. This fitting is suitable for commercial application and is suitable for up to 16 hour switching cycle. The Lucy comes with a 6W E27 G150 or G120 LED Filament Globe that produces 750lm at 2700K with CRI 80 and flicker free technology.</p> <p>To further ensure reliability of the E27 G150 or G120 LED Filament globe we will be using latest Epistar LED glass filament technology. We use the best technology available to provide commercial grade luminaire.</p>
